

Axygen PCR Consumables

to assist with your **Molecular Biology** requirements

AXYGEN[®]

A Corning Brand

Axygen PCR Microplates and Sealing Films

**SPECIAL
DISCOUNTED
PRICING**

Features and Benefits

- ▶ 96 well and 384 well
- ▶ Available in clear and white for standard and real-time PCR
- ▶ Available in a wide variety of sizes and configurations
- ▶ Certified RNase-/DNase-free

Ordering Information

96 & 384 Well PCR Microplates

| Cat. No. | Description | Color | Volume | Qty/Cs | Price |
|-----------------------|---|-------|--------|--------|--------------|
| AX-PCR-96M2-HS-C | 96 well PCR half skirt microplate with a single notch | Clear | 200 µL | 50 | \$226 |
| AX-PCR-96-AB-C | 96 well PCR microplate with half skirt, compatible with ABI | Clear | 200 µL | 50 | \$341 |
| AX-PCR-96-FLT-C | 96 well PCR flat top microplate with no skirt | Clear | 200 µL | 100 | \$428 |
| AX-PCR-96-LC480-W-NF | 96 well PCR microplate with half skirt, compatible with Roche 480 | White | 100 µL | 50 | \$226 |
| AX-PCR-384-LC480-W-NF | 384 well PCR microplate, compatible with Roche Lightcycler 480 | White | 20 µL | 50 | \$296 |
| AX-PCR-384M2-C | 384 well PCR microplate with single notch | Clear | 55 µL | 50 | \$231 |

Axygen[®] Adhesive Sealing Films

| Cat. No. | Description | Qty/Pk | Application | |
|-------------|--|--------|--------------------------|--------------|
| AX-PCR-TS-1 | CyclerSeal sealing film, polyester | 100 | Non-optical PCR, storage | \$62 |
| AX-PCR-SP-1 | AxySeal sealing film, polyester | 100 | Non-optical PCR, ELISA | \$66 |
| AX-UC-500-1 | UltraClear, pressure sensitive sealing film, polyester | 100 | Real-time PCR | \$217 |

*Sealing films are not autoclavable.
