

Axygen PCR Consumables

to assist with your **Molecular Biology** requirements

Axygen®

A Corning Brand

Axygen PCR Microplates and Sealing Films

**SPECIAL
DISCOUNTED
PRICING**

Features and Benefits

- ▶ 96 well and 384 well
- ▶ Available in clear and white for standard and real-time PCR
- ▶ Available in a wide variety of sizes and configurations
- ▶ Certified RNase-/DNase-free

Ordering Information

96 & 384 Well PCR Microplates

Cat. No.	Description	Color	Volume	Qty/Cs	Price
AX-PCR-96M2-HS-C	96 well PCR half skirt microplate with a single notch	Clear	200 µL	50	\$240
AX-PCR-96-AB-C	96 well PCR microplate with half skirt, compatible with ABI	Clear	200 µL	50	\$353
AX-PCR-96-FLT-C	96 well PCR flat top microplate with no skirt	Clear	200 µL	100	\$442
AX-PCR-96-LC480-W-NF	96 well PCR microplate with half skirt, compatible with Roche 480	White	100 µL	50	\$240
AX-PCR-384-LC480-W-NF	384 well PCR microplate, compatible with Roche Lightcycler 480	White	20 µL	50	\$316
AX-PCR-384M2-C	384 well PCR microplate with single notch	Clear	55 µL	50	\$238

Axygen® Adhesive Sealing Films

Cat. No.	Description	Qty/Pk	Application	
AX-PCR-TS-1	CyclerSeal sealing film, polyester	100	Non-optical PCR, storage	\$66
AX-PCR-SP-1	AxySeal sealing film, polyester	100	Non-optical PCR, ELISA	\$71
AX-UC-500-1	UltraClear, pressure sensitive sealing film, polyester	100	Real-time PCR	\$253

*Sealing films are not autoclavable.
