Axygen Single-Channel

Axypet Pipettors

High levels of accuracy and precision with design innovations™ to make pipetting more comfortable during prolonged periods of time

- Thumb-friendly soft spring pipetting system reduces fatigue
- Unique side EZject button option reduces thumb movement
- Finger-hook provides for a more relaxed grip
- Large ergonomic push button is easy on the thumb during contact
- Locking feature prevents accidental volume changes during pipetting procedures
- Fully autoclavable
- 3 year warranty
