

Boost your Lab with ES Series Shaker-Incubators!

Save up to **\$2,000** in Accessories with Purchase!

ES-20/60

ES-20/80

ES-20/80C

Offer Period: **October 1 – November 30, 2025.**

Save up to \$2,000 in Accessories with ES-Series Shaker-Incubators.

From 1 October 2025 to 30 November 2025, when you purchase a selected Biosan ES-Series Shaker-Incubator, you will benefit from a \$2,000 credit to choose an accessory(-s) of your choice.

Selected Models

- **ES-20/60** – “Good old” classics of every microbiology lab;
- **ES-20/80** – Orbital Shaker-Incubator “on steroids”;
- **ES-20/80C** – Our most advanced Orbital shaker-incubator with integrated cooling for extended applications.

Accessories

Your credit can be applied to a broad selection of **Biosan accessories**, including:

- Platforms for flasks and multi-use setups;
- Clamps for different vessel sizes;
- Universal platforms with racks and mats;
- Tube holders and adjustable racks;
- Stacking kits for space-saving configurations (only for ES-20/80 and ES-20/80C).
