

# Molecular Grade dNTPs

## BUY ONE, GET ONE FREE OFFER

*'Looking for quality, ultra-pure dNTPs for your PCR reactions?'*

Fisher Biotec dNTPs are ideally suited to use with DNA Polymerases for all your amplification, labelling and sequencing reactions

Order any product from the dNTP range listed below, and receive a second identical product FREE

*Catalog No	Description	Price (ex-GST)
WS-DN-10	Fisher Biotec Set of 4 x 10µmole (0.5ml of 20mM solution of each nucleotide)	<b>\$75.00</b>
WS-DN-10/100	Fisher Biotec Set of 4 x 10µmole (0.1ml of 100mM solution of each nucleotide)	<b>\$75.00</b>
WS-DN-25	Fisher Biotec Set of 4 x 25µmole (1.25ml of 20mM solution of each nucleotide)	<b>\$160.00</b>
WS-DN-25/100	Fisher Biotec Set of 4 x 25µmole (0.25ml of 100mM solution of each nucleotide)	<b>\$160.00</b>
WS-DN-40	Fisher Biotec Set of 4 x 40µmole (0.4ml of 100mM solution of each nucleotide)	<b>240.00</b>
WS-DN-100	Fisher Biotec Set of 4 x 100µmole (1.0ml of 100mM solution of each nucleotide)	<b>\$550.00</b>
WS-DN-2M	Fisher Biotec READY-TO-USE dNTPs mix (1ml of 2mM solution. 2µmoles of each nucleotide)	<b>\$16.00</b>
WS-DN-10M	Fisher Biotec READY-TO-USE dNTPs mix (1ml of 10mM solution. 10µmoles of each nucleotide)	<b>\$80.00</b>
